Relationships, Sex and Health Education (RSHE) – Parent and Carer Consultation

November 2026

Dear Parents and Carers,

We are writing to invite you to take part in our parent and carer consultation on the school's updated Relationships, Sex and Health Education (RSHE) Policy and proposed curriculum.

Following the publication of updated Department for Education guidance, which came into effect on 1st September 2026, we have reviewed our RSHE provision to ensure that it continues to be age-appropriate, inclusive and meets the needs of all our pupils.

At New Moston Primary School, we believe that RSHE is an important part of children's education. It helps pupils develop positive and healthy relationships, understand and manage their emotions, respect themselves and others, and develop the knowledge and skills they need to stay safe and healthy as they grow.

As part of our consultation, we would like to invite parents and carers to review the following documents, which are available on our school website:

- **RSHE Policy 2026 (draft)** – outlining our approach to teaching Relationships, Sex and Health Education.
- **RSHE Curriculum Overview EYFS - Year 6**– providing an overview of the topics taught across each year group.
- **Proposed Year 6 Non-Statutory Sex Education Overview** – clearly identifying the content taught as part of sex education in Year 6.

We recognise that parents and carers play an important role in their children's education, and we value your views in helping us ensure that our RSHE curriculum reflects the needs of our school community.

How to have your say

We encourage you to read the documents available on our school website and share your feedback by completing our parental consultation questionnaire. The questionnaire should take approximately five minutes to complete.

Consultation opens: Monday 9th November 2026

Consultation closes: Friday 27th November 2026

Feedback questionnaire: New Moston Primary School website – RSHE Parent and Carer Consultation Form

All feedback received will be carefully considered before the policy and curriculum are finalised.

Thank you for your continued support and for taking the time to contribute to this important consultation.

Yours sincerely,

Laura Rabbitt

Assistant Headteacher
